

## BRIEF BIODATA

Mohd Izani bin Mohd Zain was born on 31 August 1975 in Pengkalan Chepa, Kelantan Darul Naim. Raised in Kampung Punggur, Alor Gajah in Melaka, he obtained his early education at Sekolah Kebangsaan Ganun, then Sekolah Menengah Kebangsaan (Agama) Sultan Muhammad, and Kolej Islam Sultan Alam Shah (KISAS). Mohd Izani then went on to pursue university level education, obtaining his undergraduate, masters and PhD degrees from Universiti Malaya (UM).

Beginning with a career as a journalist at Kumpulan Karang kraf Sdn. Bhd. in April 1999, Mohd Izani decided to join academia as a Tutor at Universiti Utara Malaysia (UUM) and then as a lecturer in July 2002. In August 2008, Mohd Izani began serving at Universiti Pertahanan Nasional Malaysia (UPNM), where he was promoted to Senior Lecturer (DS52) in January 2009.

In September 2011, Mohd Izani was promoted to Associate Professor (DS54). Since September 2013, he has been an academic at Universiti Putra Malaysia (UPM). His areas of expertise and research interests are Politics and Government as well as Muslim Politics and Democracy. It is based on his expertise that Mohd Izani was appointed as **Research Fellow, at the Center for the Study of Democracy and Elections, University of Malaya (UMCEDEL)**.

**Mohd Izani has served as Press Secretary (SUA) to the Minister of Higher Education Malaysia, Dato' Seri Mohamed Khaled Nordin (also former Menteri Besar of Johor) from 2009 to 2013.** In addition, Mohd Izani is active in public advocacy in government agencies and non-governmental organizations (NGO) especially in the context of democratic education and national higher education policy. He was once an Associate Fellow, National Council of Professors (MPN), and Secretary of the Malaysian Society for Higher Education Policy and Research Development (PenDaPaT).

His strong views, translated into writing, has led Mohd Izani to be appointed as a Berita Harian columnist where he has contributed more than 200 articles in the print and electronic media on political, democratic and higher education issues in the country. It is his hope that his contribution in the media can facilitate the process of political literacy, especially among readers and Malaysians in general. Mohd Izani is also often referred to by the media in discussing national political issues and polemics, providing political analysis from independent and academic perspectives.

Mohd Izani's contribution in the context of social and community involvement comes through in his roles as a lecturer and fellow in the student residential college. He has engaged in and led various student development activities and community networking through the Khidmat Bakti program involving students throughout the country.

Mohd Izani's contribution to the nation goes beyond his formal duties as a lecturer. In 2009 until 2013 at the national level, he assisted the then Ministry of Higher Education (MOHE) in general and YB. Minister of Higher Education in leading the country's higher education sector. This includes achieving the vision of higher education through the National Strategic Plan for Higher Education (PSPTN) and ensuring media visibility of the nation's higher education.

In the current context, Mohd Izani helps ensure media visibility of UPM's management. In 2018 he received "**The Most Productive Expert Writer Award**" at the UPM Media Visibility Award ceremony. Mohd Izani was also the recipient of the MAPIM "**Most Scientific Book Publication Award**", Faculty of Human Ecology, 2017.
